individual, thereby reducing neuronal degeneration at that site.

41 (New). A method in accordance with claim 40, wherein said neuronal degeneration is that which results from an injury or disease.

42 (New). A method in accordance with claim 40, wherein said T cells which have been activated by Cop 1 or a Cop 1-related peptide or polypeptide are caused to accumulate at the site of neuronal degeneration by administering to the individual in need thereof an effective amount of:

- (a) activated T cells which have been activated by Cop 1 or a Cop 1-related peptide or polypeptide; or
- (b) Cop 1 or a Cop 1-related peptide or polypeptide.

REMARKS

Claims 1-42 presently appear in this case. No claims have yet been examined on the merits. All of the claims have been subject to election and/or restriction requirements. Reconsideration and withdrawal of these requirements and examination of all the claims now present in the case are hereby respectfully urged.
